Bulletin No. 10 of 1940.

STATE OF SOUTH AUSTRALIA.FOREST PLANTATIONS.

Particulars of Forest Plantings in this State have been obtained from about twenty companies or persons as well as from the Conservator of Forests. These reveal that at 31st December, 1939, there were approximately 99,000 acres, being the net area of forests planted and standing (viz, - exclusive of fire breaks and areas burnt out, died or used), representing a total crudely approximating 50,000,000 trees. Of this total area, 18,750 acres were private and 80,250 Government.

During the eleven years 1929-1939, over 16,000 acres had been planted privately and nearly 56,000 acres by the Government, a total of 72,000 acres or nearly 44,000,000 trees, some of which have of course died in the meantime, and some burnt out.

celebrated on the Saturday in 1940, compared with 163 in 1939 and the record number of 207 in 1938. 38 were celebrated on the Thursday before Good Friday, 2 on Easter Sunday and 33 on Easter Monday.
